Cascades PRO®

**WE LOVE
LESS**

**Cascades PRO®
Bathroom Tissues**

By choosing a Cascades PRO® bathroom tissue made of 100% recycled fibers, instead of an equivalent product made from virgin fibers, you can significantly reduce your environmental footprint while keeping your business clean and efficient.

26%

less impact on
climate change*

62%

less impact on
ecosystem quality*

53%

less water
consumption*

Ask your distributor about Cascades PRO®
or visit cascadespro.com to learn more.

*Potential savings based on the life cycle assessment (LCA) approach for each Cascades® product category, compared to equivalent industry products made of 100% virgin fibers. LCA study on Cascades tissue paper products (2023) conducted by Groupe AGECO, an independent third party, in accordance with ISO 14040 and ISO 14046. Basis for comparison (functional unit): 1 square meter (m²).
